Dear Mr. Keel:

Re: Proposed "Daves Annexation"
to the City of Hawthorne

At the meeting held on January 18, 1961, the County Boundary Commission reviewed the boundary description and map submitted by your Director of Public Works, P. M. Scott, with his letter of December 30, 1960, of the proposed annexation of territory to the City of Hawthorne.

Pursuant to Mr. Scott's request, the boundaries were revised to include a portion of 130th Street, thereby eliminating a possible street corridor of unincorporated territory, a probable violation of Section 35002.3 of the Government Code.

The boundaries submitted do not create corridors of unincorporated territory and conform with record lines and lines of ownership. An island of unincorporated territory completely surrounded by the City of Hawthorne will be created if this proposed annexation and the proposed "Hudson Annexation" to the City of Hawthorne, as approved by the Commission on July 13, 1960, are completed prior to the proposed "Kuhl Annexation" to the City of Hawthorne as filed with the Commission on January 3, 1961.

This proposed annexation overlaps the proposed incorporation of the City of Hahn as approved by the Commission on December 21, 1960.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002

Mr. Kenneth L. Keel

of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Dear Sir:

CITY OF HAWTHORNE
"DAWES ANNEXATION"

In compliance with your request of January 4, 1961, we have reviewed the submitted legal description of the proposed boundaries of this annexation and report as follows:

1. At the request of Mr. P. N. Scott, Director of Public Works of the City of Hawthorne, the boundaries were revised to include a portion of 130th Street, thereby eliminating a possible street corridor of unincorporated territory, a probable violation of Section 35002.3 of the Government Code.
2. The boundaries conform with record lines and lines of ownership.
3. An island of unincorporated territory completely surrounded by the City of Hawthorne will be created if this proposed annexation and the proposed "Hudson Annexation" to the City of Hawthorne, as approved by the Commission on July 13, 1960 are completed prior to the proposed "Kuhl Annexation" to the City of Hawthorne as filed with the Commission on January 3, 1961.
4. No corridor of unincorporated territory is created by the boundaries.

5. This proposed annexation overlaps the proposed ~~"Annexation No. 2" to the City of Lawndale, as approved by the Commission on June 8, 1960, and the proposed~~ incorporation of the City of Hahn, as approved by the Commission on December 21, 1960.
6. Other boundaries are shown in relation to the proposed boundaries of this annexation on the enclosed map.
7. Because of item 1 above, we have prepared the enclosed revised description which we recommend that the Commission approve and forward to the proponents.

All original papers regarding this matter and a list of special districts involved are enclosed.
